

NGOs / Green Enterprises

- Become a part of our member network to reach out to end consumers and bulk buyers.
- Build linkages for capacity building and resources.
- Help generate employment and train beneficiaries for a livelihood.

Impact through Action

Individual Social Responsibility (ISR) is a powerful tool for social progress. We urge you to promote

- Fair Trade
- Sustainable Shopping
- Conscious Consumerism
- Inclusive Development

We each have a role to play, find out how!
